ART AND ARCHAEOLOGY

An Illustrated Monthly Magazine published at Washington, D. C.

by the

ARCHAEOLOGICAL INSTITUTE OF AMERICA

ART AND ARCHAEOLOGY tells the story of the Arts throughout the Ages in simple language, illustrated by beautiful pictures. Human interest, timeliness, and literary merit are the tests applied in the choice of articles; artistic quality and appropriateness in the selection of illustrations.

The contributed articles are of varied interest, embracing the fields of Oriental, Greek, Roman, Christian, Renaissance, and American archaeology and art. Full page illustrations are made an attractive feature. Notes from the various fields and brief paragraphs concerning archaeological discoveries, new books, and other items of current interest are worthy of mention.
